

# Holy, Holy, Holy

Chris Binion, Donna Norton, Brian Principe, Allison Speer

Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, Jesus is His name  
Holy, holy, holy, holy, holy, holy  
Lord God Almighty, Jesus is His name

Tribulations come to steal my praise  
Trials and temptations would overwhelm the days  
But there's a sweet assurance knowing victory lies ahead  
Jehovah Jireh, my provider, the lifter of my head

Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, Jesus is His name

Condemnation brought me to my knees  
All of my transgressions put their chains on me  
But then the hand of Jesus reached down to where I was  
My shackles broke and my prison opened  
All with just one touch

Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, Jesus is His name

So rejoice, knowing He is able  
Lift your voice, to the Lord for He is faithful  
Lift your hands to the One who has given us His son unconditional

Holy, holy, holy, holy, holy, holy  
Lord God Almighty, Jesus is His name

So rejoice, knowing He is able  
Lift your voice, to the Lord for He is faithful  
Lift your hands to the One who has given us His son unconditional

Holy, holy, holy  
Holy, holy, holy, holy, holy, holy  
Lord God Almighty, Jesus is His name

Holy, holy, holy, holy, holy, holy  
Lord God Almighty, Jesus is His name  
Jesus is His name
