You are loved and lifted up, you are loved and lifted up
I will hold you through the flame and through the flood
You are loved and lifted up

I know you feel the river rising, I know you feel the heat of the fire
I know you feel you're not gonna make it
Don't be afraid 'cause you are Mine

Repeat Chorus

Verse 2

I am the Lord, your defender, I am the Lord, you never leave My sight
I am the Lord, your Redeemer
Don't be afraid, 'cause you are Mine.

When you pass through the water, I will be with you
When you pass through the fire, I will be there
When you fight through your battles, I will be with you
When you stand through your trials, I will be there

I will hold you through the flame and through the flood
You are loved and lifted up
You are loved and lifted up
