

Upon This Rock

Gloria Gaither, Dony McGuire

William J. Gaither Inc. / Bud John Songs, Inc. / It's-In-Me Music (ASCAP)

If you could see with earthly eyes just what you want to see
You would see the things that never die
You would know and recognize by simple childlike faith
The priceless truths that others will deny
When others say I'm just a man who likes to dream his dreams
When others call a miracle only myth
You'll listen for eternity in moments as they pass
And you'll see with spirit eyes what others miss

Chorus

Upon this rock I'll build my kingdom
Upon this rock forever and ever it shall stand
Though the powers of Hell itself shall nevermore prevail against it
Satan's thrones are built on sinking sand
Upon this rock I'll build my kingdom
And on this rock forever and ever it shall stand
On this rock of revelation I'll build a strong and mighty nation
And it shall stand the storms of time, upon this rock

If in a simple carpenter you see the Son of God
If you would choose to lose when you could win
If you would give your life away for nothing in return
They you are where this kingdom will begin

Repeat Chorus
