

What Faith Does

You ask my why I believe like I do
Why I'm so convinced that the Bible is true
I'm here to tell you it's only because
I've come through enough to see what faith does

Faith sees the invisible,
Believes the impossible
Receives the incredible
No matter what was
Faith moves the unmovable
Proves the unprovable
For anyone willing to trust
Believe and you'll see what faith does

If there's a mountain that stands in your way
From all you can see it will be there to stay
God said with the faith of a small mustard seed
That mountain will move, believe and you'll see

Faith sees the invisible,
Believes the impossible
Receives the incredible
No matter what was
Faith moves the unmovable
Proves the unprovable
For anyone willing to trust
Believe and you'll see what faith does
